SUMMARY:

[REDACTED] related in his signed statement that on the date and time in question, he was walking in the area of [REDACTED] when he was approached by two officers in uniform, now known as Officers McDonough and Poholik. At that point, someone from a building yelled "50" and they thought he did. [REDACTED] stated that one of the officers picked up a plastic bag of rock cocaine. [REDACTED] was handcuffed because the officers thought it belonged to him. He was patted down and searched. He was then placed in the back seat of the squad car. He thought he was going to be taken directly to the station, but instead, was driven to [REDACTED] up the ramp. Officer McDonough said that he was going to try a little experiment on him and sprayed him directly in his eyes with pepper spray and asked him how this felt. When [REDACTED] said it didn't feel good. Officer McDonough sprayed him a second time. When this occurred, he was out of the squad car at the time and in handcuffs. [REDACTED] said that Officer McDonough then struck him on his right elbow, back of his left leg and left hip with a flashlight. Officer McDonough then kicked his legs out from under him and he fell to the ground, cutting his left hand on some glass.

[REDACTED] said that at that time, a black Bronco with a railroad security guard drove down. He pulled up to the police car and there was a conversation between the guard and the officers. Then, Officer McDonough said that if they found nothing in the back of the squad car, he would be released. The officers moved the back seat of the squad car and found a hypodermic needle with a substance in it. Officer McDonough said it was heroin. Other officers arrived on the scene and one of them asked [REDACTED] why he was bleeding from his hand. Officer McDonough said he fell. After that [REDACTED] was taken to the station on Racine and Monroe. Officer McDonough whispered to him that he shouldn't say anything and that when he went to court, he would drop the charges against him. [REDACTED] said that when a white Sergeant asked him what happened, he told him that he fell down. [REDACTED] said that he did tell the lockup keeper that he wanted to go the hospital, and was taken to Cook County Hospital. He was treated and released and taken back to jail. When he came back to the station, his right arm was in a cast. He said that the hospital staff told him had torn ligaments.

The Arrest Report for [REDACTED] indicated that he was arrested on 31 July 1998 at 2330 hours, while in the vicinity of [REDACTED] Street by Officers McDonough and Poholik. The officers reported that the subject yelled "five-o" causing a crowd to disperse rapidly. He was placed into custody after a custodial search revealed one clear plastic bag containing white rock suspect cocaine. Also recovered was one hypo needle filled with suspect heroin from his right sleeve.

Plastic bags and needle were inventoried under [REDACTED]

The Reporting Investigator went to the location of 16th and Ashland where [REDACTED] stated that this alleged incident occurred. There is a ramp that leads up to the railroad tracks. The
